

AUTOPAY IS HERE

In the continuing effort to provide our ratepayers with the most efficient service possible, the District is now offering our customers an automated payment process for paying your water/sewer bill. Customers will receive a normal bimonthly billing statement but the amount due will be automatically deducted from your checking account on or shortly after your due date. You will continue to pay your regular bill until you see "AUTOPAY" in the "amount due" box on the remittance portion of your bill.

We hope that you will consider signing up for the District "Auto-Pay" Plan. Please note that any personal information provided is protected and handled with the utmost confidentiality.

You may request an Auto-Pay application form by calling (425) 235-9200 or you may download one from our website. Please return the completed form to the District office.
