Your backflow testing may be performed by anyone licensed as a Backflow Assembly Tester (BAT) within the State of Washington. This list includes some area testers and is provided for your convenience. Coal Creek Utility District neither endorses nor recommends specific contractors or businesses. We encourage you to call several testing companies to compare prices and availability. An official listing of certified testers in Washington is kept by Washington Certification Services and can be found at http://grcc.greenriver.edu/wacertservices/bat/bat_publiclist.asp
